

## Summer Celebration Event 2019

On the 24th of July 2019, we held our second Summer Celebration Event where we were able to invite all of our sponsors, supporters, learners and their families to our Learning and Development Centre. We enjoyed an evening of our current site projects including an update of our Aeroponics Mint growing, our Catering programme funded by the BIG Lottery Fund and our guests were able to talk to previous learners who have now gone onto bigger and better things!

We also had the pleasure of welcoming the Mayor and Mayoress of Hillingdon, Cllr David Yarrow and Mary O'Connor MBE who assisted us in presenting our annual learner awards. Check out the highlights of the evening on our Facebook page!
